"Work hard, be kind"

Accessibility Plan 2025-2026

At Carnarvon Primary School, our values 'Work Hard Be Kind' reflect our commitment to a school where there are high expectations of all pupils and staff. We promote an ethos of care and trust where every member of our school community feels that they truly belong and are valued. Children are provided with high-quality learning opportunities so that each child works to his/her potential.

Carnarvon Primary School is a safe school, committed to improving children's confidence and self-esteem. We know that safe and happy children achieve.

This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting of the progress of the Accessibility Plan over a prescribed period.

The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation".

According to the Equality Act 2010, a person has a disability if:

- (a) he or she has a physical or mental impairment, and
- (b) an impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is structured to complement and support the school's Equality Objectives, and will similarly be published on the school website. We understand that the Local Authority will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon compliance with that duty.

Objectives

Carnarvon Primary School is committed to providing an environment that enables full curriculum access and includes pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

The school recognises and values parent's knowledge of their child's disability and its effect on their ability to carry out everyday activities. We respect a parent and child's right to confidentiality.

Carnarvon Primary School Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school within a given time frame and anticipates the need to make reasonable adjustments to accommodate their needs where practicable. It relates to the key aspects of the physical environment, curriculum and written information.

The Accessibility Plan

The Plan contains relevant and timely actions to:-

- increase access to the curriculum for pupils with a physical disability and/or sensory impairment, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as able-bodied pupils; (If a school fails to do this they are in breach of their duties under the Equalities Act 2010). This will include access to all teaching and learning activities and to the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits – it also covers the provision of specialist or auxiliary aids and equipment which may assist these pupils in accessing the curriculum within a reasonable timeframe;
- improve and maintain access to the physical environment of the school (including toileting) adding specialist facilities as necessary – this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
- improve the delivery of written information to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.

Whole school training will recognise the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

It may not be feasible to undertake all of the Accessibility works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans.
