**Best Licensed Activity for Children
Aged 5-12 Years**

thelanguagetreenottingham@outlook.com

Hola! Bonjour ! Welcome to La Jolie Ronde Languages for Children at Carnarvon Primary School! **Enrol now for September!**

Following many years of Spanish and French being enjoyed by children of all ages at Carnarvon Primary School, we are delighted that our current classes will be continuing next term, as well as new classes starting. There are now places available for all age groups to learn French and/or Spanish in September and I would like to offer you the opportunity to reserve a place for your child!

I am a graduate in French and Spanish, with fluency also in German and Portuguese, and teach up to university level, as well as helping adults wishing to learn, or relearn, a language. I have a real passion for all aspects of language myself, with a firm belief in the very positive value of children learning languages as early as possible, developing their skills, confidence, enjoyment and love of languages and providing them with a solid foundation for their future education. The La Jolie Ronde programme achieves this in a structured, age-appropriate, varied and fun way!

A unique structured language course established for over 30 years.

An excellent accent for the children to copy.

Small classes with plenty of individual attention and learning with children of a similar age (maximum 12 children).

Conversation, basic grammar, games, role-plays, rhymes and stories.

An awareness of France/Spain, its geography and culture.

Weekly and termly updates and an end-of year report on your child's progress.

Spanish/French certificates awarded on completion of each programme.

La Jolie Ronde classes run separately from those offered in the curriculum. The programme is designed to enhance their learning skills and to challenge the children, which means that they **excel** at French/Spanish and develop their language skills to the highest level possible.

Classes will be offered at the rate of £8.00 per lesson, payable termly in advance.

An integral part of the course is the fun activity book and interactive app access, payable separately, to enhance your child's learning. These are supplied with a folder, pencil, additional worksheets and an end-of programme medal for a one-off payment of £22 for the full academic year. If you would like further information or to book a place, please contact me on 07837 676287, or thelanguagetreenottingham@outlook.com

¡ Gracias! ¡Hasta luego! Merci ! À bientôt !

Hi, I'm James, Head Coach at Loran Football Development and I'm really excited to be bringing my tailored football sessions to Carnarvon Primary School.

At Loran Football Development, our mission is to provide access to football for everyone. Regardless of age, ability level or background, we believe everyone deserves the right to play, build confidence, make friends and learn new skills both on and off of the pitch.

Above all else we promise to deliver fun and engaging football sessions, where every participant can feel safe, empowered and heard. We believe that football can be a pathway to some of life's most important skills, both on and off of the pitch. We teach respect, teamwork, self esteem and confidence, alongside the skills required to be a better footballer.

Our players welfare is our primary concern, making sure that our sessions are delivered in a safe, adaptable way to prioritise the needs of those who attend.

I'll be personally delivering each session, I have over 12 years experience of coaching Primary aged children with FA and UEFA qualifications, alongside safeguarding, First Aid and Welfare training.

The cost is £25 for 4, 1 hour sessions, taking place weekly at 3:30 - 4:30 on the school football field. To book a place you can contact me on 07584 013362, on email via james@loranfootballdevelopment.co.uk or via the website www.loranfootballdevelopment.co.uk
