

# Thank You Baked Potato

– By Matt Lucas

Baked Potato changed my life,  
Baked Potato showed me the way,  
If you want to know what is wrong from right,  
You must listen to what Potato say,

Wash your hand and stay indoors,  
Thank you, Baked Potato,  
Only go to grocery stores,  
Thank you, Baked Potato,

If you want to have a better day,  
You must listen to what the Baked Potato say,

Keep some distance, make some space,  
Thank you, Baked Potato,  
Remember not to touch your face,  
Thank you, Baked Potato,

If you want to have a better day,  
You must listen to what the Baked Potato say,

B, A, K, E, D, P, O, T, A, T, O

Baked Potato!
